

E.S.  
11/14/90

IN THE UNITED STATES DISTRICT COURT FOR THE  
NORTHERN DISTRICT OF ILLINOIS  
EASTERN DIVISION

IN THE MATTER OF:

Venus Laboratories, Inc.  
855 Lively Blvd.  
Wood Dale, Illinois  
60191

Civ. Action No. 4689

JUDGE WILLIAMS

MAGISTRATE WEISBERG

WARRANT FOR ENTRY AND INVESTIGATION  
PURSUANT TO THE COMPREHENSIVE ENVIRONMENTAL  
RESPONSE, COMPENSATION AND LIABILITY  
ACT, 42 U.S.C. § 9601 et seq.

TO: THE UNITED STATES MARSHAL FOR THE NORTHERN DISTRICT OF  
ILLINOIS AND ANY OFFICER, EMPLOYEE, OR DESIGNATED REPRESENTATIVE  
OF THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY ("U.S.  
EPA").

The Declarations of Charles G. Hall and Alan Altur having established that U.S. EPA has a reasonable basis to believe that a release of hazardous substances into the environment has occurred or may be threatened at or from the Venus Laboratories, Inc. ("Venus") facility located at 855 Lively Blvd. in Wood Dale, DuPage County, Illinois, (the "facility") and that certain response actions by the U.S. EPA are necessary to protect the public health, welfare and the environment; an application of the United States of America, on behalf of the U.S. EPA, having established that the issuance of a warrant is constitutional, and that the right of the U.S. EPA to enter and investigate is authorized by the Comprehensive Environmental Response,

photographing, and any other response actions which may be necessary to determine the nature and the extent of hazardous substances which are or might be located at or upon, and which are being or might be released from the facility; and

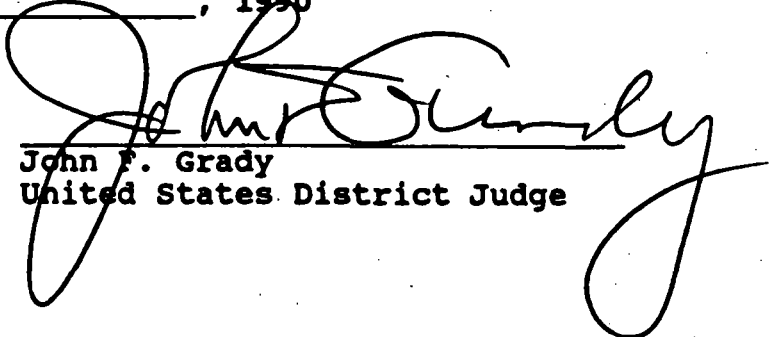

E. Perform any activity authorized by Section 104 of CERCLA, 42 U.S.C. § 9604.

IT IS FURTHER ORDERED that the duration of the entry, investigation, and activity authorized by this Warrant shall be of such reasonable length to enable the U.S. EPA to satisfactorily complete the above-described activities. Entry shall be completed within thirty days from the date hereof for purposes of conducting the foregoing activities.

IT IS FURTHER ORDERED that the United States Marshal is hereby authorized and directed to assist officers, employees, and representatives of the U.S. EPA in such manner as may be reasonable and necessary to execute this Warrant and all provisions contained herein.

IT IS FURTHER ORDERED that a prompt return of this Warrant shall be made to this Court within one hundred eighty days from the date hereof, showing this Warrant has been executed, and that entry and activity authorized herein has been completed within the time specified above.

Dated this \_\_\_\_ day of \_\_\_\_, 1990

  
John F. Grady  
United States District Judge

Compensation and Liability Act of 1980 ("CERCLA"), 42 U.S.C. § 9601 et seq.; and this Court having found that reasonable grounds exist for issuance of a warrant, IT IS HEREBY ORDERED that upon service of this warrant upon E. Van Vlahakis, as President of Venus, or upon his duly designated representatives, any officers, employees or designated representatives of the U.S. EPA, including contractors (such as Ecology and Environment, Inc.) and subcontractors, and the United States Marshal, shall be permitted to enter upon the property described as:

All property owned by Venus Laboratories, Inc.  
located at 855 Lively Blvd, Wood Dale  
DuPage County, Illinois.

IT IS FURTHER ORDERED that officers, employees, and designated representatives of the U.S. EPA, including any contractors or subcontractors, and the United States Marshal shall be authorized and permitted to enter and re-enter the above-described premises during the hours of 7:00 a.m. to 8:00 p.m. to conduct the following activities:

- A. Bring upon the property for use, and during the time authorized by this warrant, to leave upon the property all equipment needed for safety monitoring;
- B. Enter the Site to take photographs;
- C. Take approximately five (5) samples of soil, sludge, and/or residual waste, and two (2) monitoring well samples;
- D. Perform any investigations, monitoring, testing, surveys, information gathering, sampling,
